Production Week at Highland Center for the Arts

Wednesday, December 6, 2017 Load in the Set and work on Tech. At HCA

*No students required at this rehearsal.

*We are looking for a few people to help us transport the sets from Helene's Barn and the Wolcott Town Hall to Highland Center for the Arts in Greensboro. We plan to rent a U haul and will need assistance loading and unloading sets and props. For those who can help, please, contact Brandy by October 31 and let her know what time of day you are available. This would be a good opportunity for those who plan to help with set movements during the show.
